Live it. Love it. Learn it.

Saturday June 9th at 2pm, 3pm & 4pm

Drop in for a hands-on introduction to creating 3D computer models of streets and buildings. Competition details are on our website:

<http://competition.leitchworthfestival.org/>

Email: competition@leitchworthfestival.org

The three **free** 'taster' sessions let you try out digital 3D modelling with [Google SketchUp](#). These will be held at [The Goldsmith Centre](#), North Hertfordshire College, The Broadway, Letchworth, SG6 3GB. Just drop in, no booking is required. After that you can gain experience in creating models of local buildings and street scenes to submit for display in [3D Warehouse](#) and (if accepted) in [Google Earth](#).
