

Spotlight on: Maria Iredale and David Walker

Maria is the Chief Executive of the Letchworth Arts Centre (LAC). She is responsible to the trustees for the strategic development and artistic direction of the centre. She has been a vital source of practical advice on publicity, running a competition, holding events, funding and much besides.

David is the founding Chairman of the LAC's Board of Trustees. He has been keenly involved with this project and a source of ideas and thoughtful commentary at every stage.

THANK YOU BOTH - we look forward to taking part with you in the [LAC 1970s/1980s Festival](#) in mid-November!
