

FINALE EVENTS

3D_Igc Project Tech-Fest - Friday 16 November

Two free sessions for specialists:

- 3D Innovations - a technology update, 11:00am to 12:30pm or so
- SketchUp Masterclass with Mike Tanti Design, 2:00pm to 3:30pm or so.

Bring a laptop and exhibits/links to share.

The Community Hub, 43 Station Road, Letchworth SG6 3BQ. details.

Public Stand - Saturday & Sunday 17-18 November

In a heated marquee in Broadway Gardens by the fountains from 10am - 6pm on Saturday and 11am-5pm on Sunday.

Showing the Competition entries, the sponsors' exhibits and a brief history of 2D/3D CAD.

Alongside the stands of the National Museum of Computing (at Bletchley Park) and the First Garden City Museum.

Festival note: "Local primary schools are creating memory capsules, with children talking to their parents/grandparents/friends about items from the 1970s and 1980s they might still have and are willing to donate to the capsules, made by ogle Design. Click [here](#) for details."

3D_Igc Competition Awards Finale - Sunday 25 November

"Put Letchworth on the 3D Map!" [Finale](#) PLEASE NOTE THE CHANGE OF VENUE & DATE.

We will screen all entries, award the prizes and showcase our sponsors'/guests' exhibits.

From 2pm for 2:30pm to 4:00pm or so. Seats are free, plenty space, no booking required.

The Arts Centre, 2 The Arcade, Letchworth, SG6 3EW

Managed by Invite Creative Events Management [here](#), associated with North Hertfordshire College.

Sponsors' Evaluation - Friday 30 November

The end-of-project case study for our sponsors, project team and advisers.

From 11:00 to 12:00 or so in The Community Hub, 43 Station Road, Letchworth SG6 3WA

Followed by a project-end lunch downstairs in JD Wetherspoon's / The Three Magnets.
